

Referential for Headmasters' evaluation

Please, organize your group discussion to fulfill the following issues:

Headmaster profile competences	Evidences of such competences	Ways to evaluate (or to be assess) such competences (who?; how?; criteria?...)

Main categories:

1 Why ? (to solve which problems)

2 Description of practice (with whom; to which students; when; how; mains features; etc)

3 How it was evaluated and which were its results?
