

M@SS International Seminar

At a time when teachers and schools are discussing the extension of PAFC (**Project of Autonomy and Curricular Flexibility**) this seminar is extremely topical.

This Multiplier Event of the Erasmus+ KA2 “**Managing for @ School of Success**” project has the main objective of disseminating the products (outputs) of the project and reflecting on the different subjects addressed and developed over three years.

This event will be developed through holding Communications, Workshops and Discussion Panels involving the collaboration of participants in the project and speakers of recognised national and international merit. Highlighted are: **Federico de Luca**, CERI **OECD João Barroso**, IE of the University of Lisbon; **Vítor Alaíz**, Portuguese Catholic University and **José Carlos Morgado**, IE of the University of **Minho**.

Public: Teachers; Head teachers; Directors of CFAE; Non-teaching staff; Local Authorities; Educational Community and others interested in the subjects.

PLACE: FPCE of the University of Porto.

Notes:

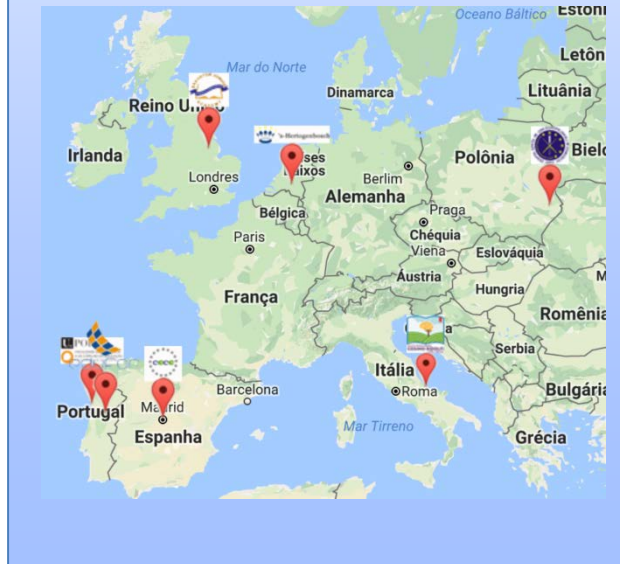

1. On the 1st day there is the option of workshops in Portuguese and English. On the 2nd day the work is in Portuguese.
2. Registration includes: **lunch** on 27th; **coffee breaks** on 26th and 27th and **download** of Seminar/Project material
3. Participants will receive a Certificate of Participation – Multiplier Event Erasmus+ KA2. The second day can be recognised and certified as an ACD.
